The Solution

for Custom field types

Ecto.Type

If you need something other than...

```
:id  
:binary_id  
:float  
:boolean  
:string  
:binary  
{:array, inner_type}  
:map  
{:map, inner_type}  
:decimal  
:date  
:time  
:naive_datetime  
:utc_datetime
```
